Carroll Hospice has pledged to care for all patients, regardless of their ability to pay. To do this, we rely on the support of many generous individuals, businesses and organizations. Each year, nearly 30% of our operating budget is supported through private contributions to help us provide compassionate end-of-life care, bereavement resources and volunteer training for members of the community.

From memorial and planned gifts to matching gifts available through corporations, there are many ways to support Carroll Hospice financially. Please remember, however, that your gift to Carroll Hospice does not need to be monetary; we offer many volunteer opportunities for those able to donate time to our organization, including fundraising support, patient companionship and assistance with our annual camp for grieving children.
